

MBT Supervisor vacancy

We are looking for a proactive and motivated Supervisor to sell in our exciting new Pop Up store in Woking Wolsley Place.

Position type: Up to 6 month fixed-term contract

Hours: 35 – 40 hrs per week

Salary: £9 per hour plus competitive commission

You will be employed by MBT footwear (Masai GB Ltd.), but work at one of our Pop-Up stores.

You...

...have an exceptional track record with proven retail & sales experience.

...have the ability and desire to meet and surpass sales targets, with drive, ambition and determination.

...enjoy selling a product you are passionate about & appreciate the importance of outstanding product knowledge.

...are interested in sport, fitness, or wellbeing.

...provide exceptional customer service that exceeds expectations.

...are reliable in completing tasks, and proactive in your approach to work

...are a team player with the ability to be flexible & work under pressure.

...will work within MBT's standards in selling, visual merchandising and stock control.

...always think on your feet to resolve problems. You are solutions oriented.

... will wear the product while you work – healthy with every footstep – an example to your customers.

...will be trained by MBT so that you fully enjoy the features and many health benefits of wearing the anti-shoe, to ensure you have the necessary knowledge and passion that enables you to share these with our customers.

Responsibilities

- Achieve your personal sales target for the week, by offering exceptional personal service to all customers.
- Work with your store team to constantly improve sales & service performance.
- Carry out all necessary duties within your allocated store: customer service, visual merchandising standards, stock room, housekeeping, and support of all promotional activity.
- Ensure key areas are covered during your working hours.

Before applying for this position please spend some time reading through www.uk.mbt.com where you will find valuable information on MBT product benefits, and a further insight into the research and applications of MBT.

If you feel that you have the required credentials, please email your CV and cover letter to banasa.williams@uk.mbt.com
